

2024/2025

SEASON TICKET PAYING BY INSTALMENTS

Our finance option is available so you can spread the cost of your season ticket and pay in instalments over 10 months.

Here is your step by step guide:

1. Head to ntfcdirect.co.uk
2. Click on buy tickets & scroll down to 'Season Ticket 24/25' & click book now.
3. Choose the block & seat you would like to sit in (green seats are available).
4. Choose your concession & click checkout.
5. You then have the choice to 'pay the full amount now' or 'Pay with the following schedule'. Once you have chosen your preference, please press continue.
6. Fill in your details if required and press continue.
7. Please read carefully the terms and conditions and (if you are happy) please agree, then click 'PAY NOW' which pays your administration fee. There will then be 10 further payments towards your season ticket - your payment dates will be the same date each month starting on the date you paid your administration fee.

If you have any queries or need any support, please contact the ticket office at tickets@ntfc.co.uk or call 01604 683777.
